**Zoning Administrator Report**

Permit issued for 1 lean-tos,  
Permit issued for 2 fences  
Permit issued for 3 signs

**Old Business**

Jim Gillett requested that the Planning and Zoning Commission revisit our zoning regarding off premise signs. The purpose is to allow business signs to be located on U.S. 31 for businesses located on Milton Street.

Alan Schomberger will create wording for a proposed amendment to be presented to the P&Z commission for its review.

Comment was made that the ordinances regarding signs and outdoor sales are very poorly enforced.
