Zoning Administrator Report

No new permits issued

Old Business

Off Premise Signage
Discussion continued this month regarding off premise signs, especially those along U.S. 31 for business located on Milton Street. The discussion focused mainly on whether the zoning should be changed at all.

No vote taken one way or the other at this time.

It was requested that Bryan Gillett create proposed wording allowing off premise signs in the downtown area.

Follow up items

No new news on the Bike Share program, the Natural Playscape Park in South Pellston, or high speed internet and Natural gas for South Pellston.
